OUR MEMBERSHIP PROCESS

TO APPLY FOR ANY OF OUR GOLF MEMBERSHIPS, YOU WILL NEED THE ENDORSEMENT OF TWO ACTIVE MEMBERS OF VICTORIA GOLF CLUB: ONE TO ACT ON YOUR BEHALF AS PROPOSER AND ONE AS SECONDER. SHOULD THIS NOT BE POSSIBLE, YOU MAY REQUEST TO BE PROPOSED AND SECONDED BY OUR MEMBERSHIP COMMITTEE.

Social applicants may be proposed and seconded by Social Members of the Club, or by our Membership Committee.

As part of the application process, our Director of Membership Marketing will be your personal guide taking you on a tour of the Clubhouse and facilities; and may host you and your family for 18 holes of golf to experience the course. Later, over lunch or dinner, we can answer any questions you may have regarding the Club, the golf course and the Membership categories.

Once you have decided to submit your application, you will meet our professional team and ambassadors of the Club. During this process, your application will be reviewed by our Membership Committee and Board of Directors to meet our Club requirements.

(Note: All applicants are subject to the Club's Membership quotas and may be placed on our waitlist. All costs are subject to GST and may be revised on an annual basis)

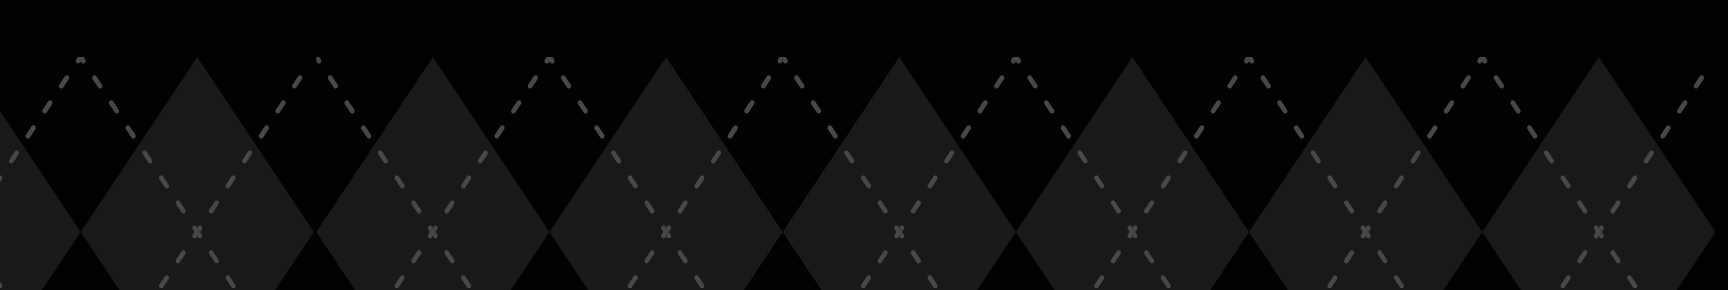

9 REASONS TO JOIN

1 NATIONWIDE RECOGNITION - Victoria Golf Club is ranked #14 on the list of Canada's Top Golf Courses by Golf Digest (2017 - 2018), #1 on Vancouver Island and #3 in B.C. We are the oldest private golf club in Golf Digest's Top 20 Courses in Canada. Our rankings prove time and again why becoming a Member of the Victoria Golf Club should be #1 on your list.

2 TEMPERATE MICRO-CLIMATE - Oak Bay is one of the sunniest, driest places in Canada during the peak summer months, and has the mildest winter weather in the country. We're often golfing in the sun in December while most of the country is covered in snow! Oak Bay area receives one-third the annual rainfall of Vancouver and less than Toronto.

- 3 UNMATCHED SCENERY & WILDLIFE** - With seven holes along the water, VGC is one of the most scenic courses in the world! We experience unique wildlife, orca whales, bald eagles, harbour seals, otters and mink to name a few. We are home to two resident bald eagles who produce eaglets each spring - sightings are daily occurrences for our Members and guests.
- 4 RICH HISTORY** - The oldest 18-hole golf course in Canada and oldest on the continent west of the Mississippi, VGC was founded in 1893. The Historic Tudor style 1920's Clubhouse holds a proud place on the National Heritage Register. You will enjoy Club facilities such as: The Pro Shop, men's and women's locker rooms, junior clubhouse and welcoming dining facilities, all surrounded by our historic links. VGC is a popular venue for private events and weddings; and a spectacular place to play golf 364 days a year (we only close for Santa!).

5 IMPRESSIVE STAFF DEPARTMENTS - We have PGA Professionals on staff, all of whom rank in the Top 100 in BC. Led by our Head Golf Professional, Lindsay Bernakevitch, our Pro Shop staff will utilize the top of the line simulators for lessons and club fitting and are at your service to help improve your game. We also have full-time Merchandisers whose knowledge about apparel will benefit you when selecting or ordering the latest attire and accessories.

The Victoria Golf Club's 18 holes are always kept in superb condition by our Links Department directed by Links Superintendent, Paul Robertson. The course is playable year-round, thanks to the multi-million dollar capital improvements in drainage and irrigation and our state-of-the-art Turf Care Centre. Our holes play so differently from one day to the next, even our long-time Members say they experience something different each and every time out.

Our Food & Beverage team, led by Executive Chef Cameron Ballendine, focuses on local and seasonal ingredients - with more than 95% of the menu prepared in-house. Jason Wilde and his team of experienced professionals flawlessly execute a la carte services, Club events and private functions. Our Administrative Department led by General Manager Scott Kolb, ensures that all Members' needs are well taken care of, and handle everything with a smile.

8 CHARITY & COMMUNITY - VGC Members have raised thousands of dollars each year for local charities through special golf and entertainment events. Victoria Golf Club takes pride in giving back to our community. The Evans Caddie Scholarship Program (the first and only in Canada) is the Club's official charity. In its 12 years, the Evans Program has awarded 6 caddies full four-year education scholarships worth over one million dollars.

9 PHILOSOPHY OF INNOVATION & INVESTMENT - We take pride in our history, but we strive to embrace the present and prepare for the future. Recent capital projects include complete drainage and irrigation replacement (2004), renovation of all bunkers, construction of a state-of-the-art maintenance facility (2012) and a new kitchen (2015).

VGC's drone, armed with cameras and infrared, scans the grounds daily for turf damage, dryness and impending ailments. VGC also proudly boasts the first Cub Cadet RG3 Robotic Greens Keeper in Canada.

EVANS CADDIE PROGRAM

In 1929, U.S. Amateur Champion Charles “Chick” Evans established a fund to send deserving caddies to university. Today, more than 100,000 golfers, including Evans Scholar Alumni, in Canada and the United States support the program assisted by proceeds from special events, endowments and the PGA Tour’s BMW Championship.

In 2006, Victoria Golf Club became the first golf club in Canada to adopt a Caddie Program dedicated entirely to the Chick Evans Scholarship. Three of our former caddies have gone forward to graduate with honours from the University of Colorado. Currently we have two more outstanding candidates at the University of Washington, and our 6th Scholar Angela Bowers and Canada’s first female Evans Scholar was welcomed at University of Washington for the fall of 2019. To date, more than one million dollars in scholarships have been awarded.
